

Slim and sleek

Pencil skirts stylishly define shape

USA TODAY NETWORK

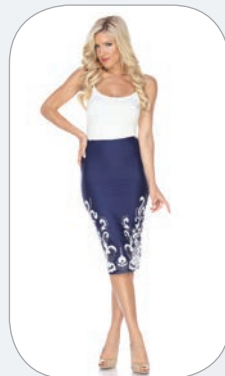

Despite being a staple in any working woman's wardrobe, the pencil skirt is anything but staid. It can be unexpected and flattering, especially when you choose one of these styles available this season.

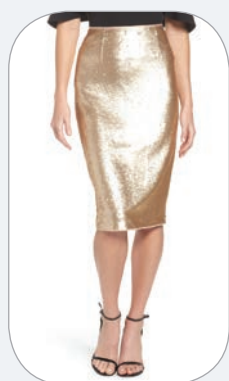

Take the look to the next level in this high-waisted faux leather pencil skirt in burgundy. **\$18.95** at sohogirl.com.

You can never have too many classic black pencil skirts like this Rorondi wool version from Escada Sport. **\$150** at luxury.zappos.com.
